

NRA SHOW 2010

THE INTERNATIONAL FOODSERVICE MARKETPLACE

CONSERVE SOLUTIONS CENTER

The 2010 National Restaurant Association Restaurant, Hotel-Motel Show® is the premier foodservice event for buyers who want to stay ahead of the competition.

The Conserve Solutions Center is a newly focused area on the Show floor dedicated specifically to help buyers easily find “sustainability-related” products and services to meet operator demand for greener solutions.

Exhibit your products and services to demonstrate how you can help them meet their sustainability objectives.

If you have products that help businesses reduce their environmental impact, The Conserve Solutions Center is the place to exhibit:

- Sustainability focused media companies
- Biodegradable/Compostable products
- Packaging
- Food processes
- Consulting, education, and services
- Or any other products that reduce environmental impact

Connect with over 40,000 buyers from 100+ countries

- 98% of the “Top 50” Chains
- 84% of the “Top 100” Chains
- Nearly 50% who attend no other foodservice trade show
- 4,000+ international buyers

Sell to 40+ Foodservice Industry Segments and Channels, including:

- Restaurant Segments:
Casual Dining, Fine Dining, Family Dining, QSR/Fast Casual
